APTS 19 & 20

NEW YORK CITY, NY

• From the purple walls of Monica's living room, to Chandler and Joey's reclining TV chairs; If you're a fan of *Friends*, then you'll feel right at home with this latest LEGO® homage to your favourite television series. As well as capturing the iconic decor of the two apartments and the connecting hallway, this set is packed with details and references to classic moments from the show.

CHANDLER & JOEY'S APARTMENT

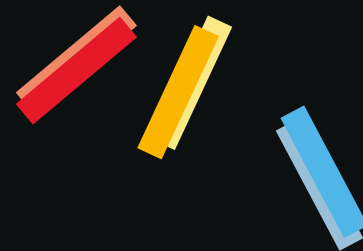

Compared with the girls' apartment across the hall, Chandler and Joey's apartment is smaller, messier and the perfect living space for two young bachelors living in New York's Manhattan. Though all the main characters of the show live in the apartment at some point, all the fixtures and fittings here are from the classic Chandler and Joey period.

MONICA & RACHEL'S APARTMENT

📍 Located in New York's Greenwich Village and originally Ross and Monica's grandmother's apartment, Monica & Rachel's living room and open-plan kitchen is an eclectic mix of bold colours and cluttered furniture – a stark contrast to the freakishly neat nature of Monica herself!

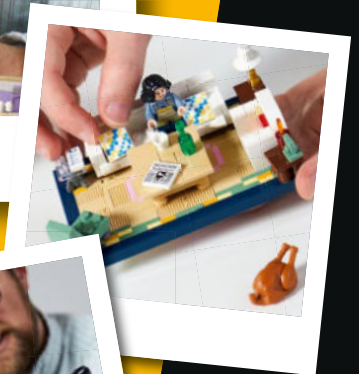

THE HALLWAY

• The small space between the two apartments and the location for the famous scene where Chandler and Rachel fight over a dropped piece of cheesecake and eat it off the floor, with Joey joining in!

FROM THE DESIGNER

● I wasn't that familiar with the show when I started working on the model, so actually the greatest joy of this set for me was getting to talk to all the fans of the show who I work with, getting to hear about their favourite moments from the show... people could just go on and on and laugh and laugh remembering so many things. I hope that this set brings that same joy to everyone else who builds it.

There are seven minifigures in the set, including all the main characters plus Chandler's long-time on-off girlfriend with that very distinctive voice, Janice Hosenstein.
