Seinfeld™

The Show About Nothing

An Emmy and Golden Globe winner for Best Comedy Series, *Seinfeld* is one of the most popular, most award-winning and longest-running comedy series of all time. Jerry Seinfeld stars as a stand-up comedian whose life in New York City is made even more chaotic by his quirky group of friends who join him in wrestling with life's most perplexing, yet often trivial questions. Often described as "a show about nothing," *Seinfeld* mines the humour in life's mundane situations like waiting in line, searching for a lost item, or the trials and tribulations of dating.

Jerry Seinfeld

Jerry Seinfeld, an exaggerated, fictionalised version of his real-life namesake, is the calm centre around which his ensemble of quirky, impulsive, delightfully dramatic friends revolves. Ever the curious observer in his own and others' lives, interactions and relationships, he ponders everything and nothing with his perceptive wit, dry humour and friendly sarcasm. He is the undisputed champion of poking at the little idiosyncrasies we recognise in the TV series' characters and ourselves – a talent he gladly shares with his friends and stand-up comedy show audiences.

"I would play myself, as a comedian living in New York, and I have a friend, and a neighbour and an ex-girlfriend, which is all true."

(The Pitch – s04e03)

Cosmo Kramer

Jerry's lanky, eternally optimistic friend and neighbour who always seems to have a new money-making idea up his sleeve. Loved by his friends and fans alike for his unique vintage style and crazy hair, his signature cigars and side-splitting statements, inventions and, not least, scene-stealing entrances into Jerry's apartment.

Newman

The mailman from down the hall is often Kramer's eager partner in several dubious plots and money-making schemes. He is also prone to self-indulging drama and, most importantly, Seinfeld's sworn archnemesis.

Elaine Marie Benes

Jerry's ex-girlfriend-turned-best-friend... What's The Deal? She's an editor and writer, a remarkable dancer, and always bracingly unapologetic about expressing her strong opinions and emotions in no uncertain terms, including telling people to shut up or get out.

George Louis Costanza

George is Jerry's best friend since school, and his polar opposite. Self-deprecating but not without his moments of (sometimes unwarranted) self-confidence. He has very little patience and often acts before he thinks, which never fails to land him in all kinds of self-inflicted trouble and embarrassment.

Meet Brent Waller

LEGO® Ideas fan designer Brent Waller is a 3D Environment Artist and co-founder of a video game company in Brisbane, Australia, and an active participant in the LEGO Ideas community.

"LEGO sets were my favourite toys as a kid and now, as an adult, it's still a creative outlet I love."

The inspiration

Brent loved watching *Seinfeld* as a young adult in the mid- to late 90s. He started re-watching the show again recently and made it his mission to make the best possible rendition of Jerry's flat and his gang of friends.

"I spent a fair bit of time on research and trying to figure out exactly what colour the walls were painted. They sometimes seemed to change with each episode! I had the show on in the background the entire time and ended up using a scale model for reference. The biggest challenges were all the kitchen details – cupboards, items and decorations – and then designing the angled walls and built-in furniture. I hope you'll enjoy the result. Thanks for your support!"

César

"I was so impressed with Brent's model of Jerry's flat. The kitchen accessories, the paintings on the wall, the green bicycle – I think fans will love all the accurate details and references to iconic scenes and episodes."

--César Carvalhosa Soares,
LEGO® Model Designer

Crystal

"I LOVE the show and all the classic shenanigans they get into, so our greatest challenge by far was limiting all the details we wanted to add. My favourite things we put in are the Uncle Leo portrait, the *Prognosis Negative* DVD, and Jerry's signature 90's hairdo wig."

--Crystal Marie Fontan,
LEGO Senior Graphic Designer

Madison

"Everyone in this design team is a true *Seinfeld* fan and I hope that translates into the model. I loved recreating Newman (my favourite character), recreating 'The Kramer' and cramming the front of the fridge with details."

--Madison O'Neil,
LEGO Senior Graphic Designer
